EXPERIENCE

Corient | Wealth Management Programme *Jun 2026*
- Built, pitched and defended investment cases for technology businesses to 15+ members of the Investment Management team.
- Rotated through Wealth Planning, Investment Management and Private Markets.

Durham University Market Report | Energy and Commodities Analyst *Sep 2025 – Jan 2026*
- Authored monthly energy and commodities market reports for a LinkedIn audience of 1,200+ followers.
- Headline article discussing how duplicate data centre grid-connection filings overstate AI power demand.

Stonehage Fleming | Investment Intern *Sep 2025 – Oct 2025*
- Delivered an onboarding portfolio report analysing a new client's sector and geographic exposure via Morningstar, flagging concentration risks and recommending new portfolio weightings.
- Analysed Spur Corporation's revenue by business segment and geography across five years of financial statements, forming a view on its growth and risk drivers.

Durham University Investment Fund | Head of Technology *Nov 2024 – Jan 2025*
- Led 6 analysts covering sustainable-technology equities, producing equity research and DCF/comparable-company valuations for the fund's investment committee.
- Placed runner-up twice in society-wide stock pitch competitions, pitching to 20+ analysts.

Summer Accounting Student | London School of Economics and Political Science *Aug 2024*
- Completed LSE's three-week summer accounting programme (A+, 80%+), covering financial-statement preparation, group accounts and financial-statement analysis.

IMechE Challenge | Engineering Team Leader *May 2024 – Jun 2024*
- Led a team of 5 engineers in an IMechE Challenge to design a small repeatable vehicle.
- Managed task delegation and individual target achievement over 6 weeks, while overseeing budgeting for each model and presenting findings to 40 students and lecturers.

EXTRACURRICULAR

U-turn | Charity Organiser *Jan 2020 – Jan 2021*
- Founded a clothes drive with 2 other students, raising 81 kg of clothes for a rural township near Cape Town.
- Handed the drive over to a local charity on our departure.

SKILLS AND ACHIEVEMENTS
